

Venture into Ship-Building Yard: “Vaitarna Marine Infrastructure Private Ltd.”

Overview:

- Yard has major Classification Societies’ approvals like IRS, ABS, Lloyds Registry, Bureau Veritas and Germanischer Lloyd
- ISO 9001:2000 certified by Registro Italiano Navale of Italy for design, construction and supply of floating crafts and marine equipments
- Area - more than 150 acres of land has been identified with 40 acres already developed (acquired, land filled and compacted by 1 meter) and another 16 acres under acquisition
- Capability to construct vessels up to 150 M X 30 M
- Water front available - with depth of 6 meters
- The present shipyard facility has already launched and delivered 3 vessels (2 lub oil tankers and a 1000 kL bunker barge) under ABS and IRS class.
- Three new vessels of up to 2400 DWTs each are currently under construction
- The yard layout was done by professional consultants (TTS Norway) and recommended the site to be ideal for ship-building/repair activity.
- Strengthened approach roads for movement of cranes and vehicles
- Grouted slipway (150 m X 30 m) in use for launching vessels of up to 3,000 DWT
- Labor camps with adequate facilities for 150 personnel
- Fully Equipped in-house workshop including Roller Bending Machine and 500 ton Hydraulic Press and lathe machines of various size including a 36 feet lathe

USP of Yard -Strategic Location:

- Only 35 nautical miles from Mumbai harbor and 2 nautical miles from Virar by sea
- Close to rail and road network – nearest rail head is 21 kms from Yard
- Naturally protected approach channel with open sea draught just 1.8 knots away from slipway
- Calm and conducive backwaters (all weather launching and navigation possible)
- Waterfront is sheltered and slightly away from open sea which makes it ideal for vessel launching
- Significant offshore oil & gas operations, with large number of rigs and offshore support vessels deployed in the vicinity

All major **Government and Regulatory Approvals in place** for the shipyard

- MPCB Approval
 - Kharland Approval
 - Custom Bonded Warehouse
 - 500 meter long sea bed lease
 - Factory & Industry license
 - 100% EOU Green Card (Ability to import duty free)
 - Maharashtra Maritime Board agreement – 5 years extendable for 30 years
-
