

OORJA 3 PTE. LTD.
(UEN: 200714714E)
(Incorporated in the Republic of Singapore)

**AUDITED FINANCIAL STATEMENTS AND
OTHER FINANCIAL INFORMATION
FOR THE YEAR ENDED 31 MARCH 2018**

OORJA 3 PTE. LTD.
(UEN: 200714714E)

DIRECTOR'S STATEMENT

The director is pleased to present his statement to the member together with the audited financial statements of Oorja 3 Pte. Ltd. (the "company") for the financial year ended 31 March 2018.

1. OPINION OF THE DIRECTOR

In my opinion,

- i) the accompanying financial statements together with the notes thereto are drawn up so as to give a true and fair view of the financial position of the company as at 31 March 2018 and the financial performance, changes in equity and cash flows of the company for the year ended on that date; and
- ii) at the date of this statement with the continued financial support from the ultimate holding company, there are reasonable grounds to believe that the company will be able to pay its debts as and when they fall due.

2. DIRECTOR

The director of the company in office at the date of this statement is:-

SHALABH MITTAL

3. ARRANGEMENTS TO ENABLE DIRECTOR TO ACQUIRE SHARES AND DEBENTURES

Neither at the end of the financial year nor at any time during the financial year did there subsist any arrangement whose object is to enable the director of the company to acquire benefits by means of the acquisition of shares or debentures in the company or any other body corporate.

4. DIRECTOR'S INTERESTS IN SHARES AND DEBENTURES

According to the register of director's shareholdings required to be kept under Section 164 of the Singapore Companies Act, Cap. 50, the director who held office at the end of the financial year had interest in the shares or debentures of the company and related corporations as follows:-

<u>Company in which interests is held</u>	<u>Share registered in the name of director</u>	
	<u>At 01.04.2017</u>	<u>At 31.03.2018</u>
Ultimate holding company:- <u>Mercator Limited</u>		
Shalabh Mittal	361,250	361,250

OORJA 3 PTE. LTD.
(UEN: 200714714E)

DIRECTOR'S STATEMENT

5. SHARE OPTIONS

(a) *Option to take up unissued shares*

During the financial year, no option to take up unissued shares of the company was granted.

(b) *Option exercised*

During the financial year, there were no shares of the company issued by virtue of the exercise of an option to take up unissued shares.

(c) *Unissued shares under option*

At the end of the financial year, there were no unissued shares of the company under option.

6. AUDITOR

The auditor, Kreston David Yeung PAC, has expressed its willingness to accept re-appointment.

By the Board,

SHALABH MITTAL
Director

20 JUL 2018

INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF OORJA 3 PTE. LTD. (UEN: 200714714E)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Oorja 3 Pte. Ltd. (the “company”), which comprise the statement of financial position of the company as at 31 March 2018, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows of the company for the year then ended, and notes to the financial statements, including a summary of significant accounting policies as set out on pages 6 to 19 .

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Companies Act, Chapter 50 (the Act) and Financial Reporting Standards in Singapore (FRSs) so as to give a true and fair view of the financial position of the company as at 31 March 2018 and of the financial performance, changes in equity and cash flows of the company for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the Director’s Statement as set out on pages 1 to 2.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF OORJA 3 PTE. LTD. (UEN: 200714714E) (Continued)

Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and FRSs, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The director's responsibilities include overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF
OORJA 3 PTE. LTD. (UEN: 200714714E) (Continued)**

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the director regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the company have been properly kept in accordance with the provisions of the Act.

A handwritten signature in blue ink, appearing to read 'Kreston David Yeung Pac.', is written over the printed name.

(UEN: 200714714E)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2018

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

1. GENERAL

The company is incorporated in the Republic of Singapore with its registered office and principal place of business located at 60 Paya Lebar Road, #13-05D Paya Lebar Square, Singapore 409051.

The company is a wholly-owned subsidiary of Oorja Holdings Pte. Ltd., incorporated in the Republic of Singapore. The company's ultimate holding company is Mercator Limited, incorporated in India.

The principal activities of the company are that of investment holding. The investment of the company has been disposed of in previous financial year. There have been no investment activities undertaken during the financial year. The company's financial statements have been prepared on going concern basis as the ultimate holding company has undertaken to provide financial support to the company as and when required.

The financial statements of the company for the year ended 31 March 2018 were authorised for issue by the director on 20 July 2018.

2. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation

The financial statements of the company have been prepared in accordance with the historical cost convention, except as disclosed in the accounting policies below, and are drawn up in accordance with the Singapore Financial Reporting Standards ("FRS").

In the current financial year, the company adopted all the new and revised FRS and Interpretations of FRS ("INT FRS") that are relevant to its operations and effective for annual periods beginning on or after 1 April 2017. The adoption of these new/revised FRSs and INT FRSs has no material effect on the financial statements.

b) Significant Accounting Estimates and Judgements

Key sources of estimation uncertainty

There are no key sources of estimation uncertainty at the end of the reporting period that have significant risks of causing material adjustments to the carrying amounts of assets and liabilities within the next financial year.

Financial assets and financial liabilities are recognised on the company's statement of financial position when the company becomes a party to the contractual provisions of the instrument.

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2018

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

c) **Financial Instruments**

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts or payments (including all fees on points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial instrument, or where appropriate, a shorter period, to the net carrying amount on initial recognition.

i) **Financial Assets**

Loans and receivables

Financial assets that have fixed or determinable payments that are not quoted in an active market are classified as “loans and receivables”. They are initially measured at fair value and subsequently measured at amortised cost using the effective interest method less impairment. Interest is recognised by applying the effective interest method, except for short-term receivables when the recognition of interest would be immaterial.

Impairment

Financial assets are assessed for indicators of impairment at the end of each reporting period. Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimates future cash flows of the investment have been impacted. For financial assets carried at amortised cost, the amount of the impairment is the difference between the asset’s carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of receivables where the carrying amount is reduced through the use of an allowance account. When a receivable is uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment loss was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2018

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

c) Financial Instruments (Continued)

i) Financial Assets (Continued)

De-recognition

A financial asset is derecognized when the contractual right to receive cash flows from the asset has expired. On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received is recognized in profit or loss.

ii) Financial Liabilities and Equity Instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Other financial liabilities

Other payables, accruals and amount due to immediate holding company are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method, with interest expense recognised on an effective yield basis.

Derecognition

The company derecognises financial liabilities when, and only when, the company's obligations are discharged, cancelled or expired.

iii) Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when the company has a legally enforceable right to set off the recognised amounts; and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. A right to set-off must be available today rather than being contingent on a future event and must be exercisable by any of the counterparties, both in the normal course of business and in the event of default, insolvency or bankruptcy.

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2018

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

d) Provisions

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle that obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of each reporting period, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

e) Contingencies

A contingent liability is:-

A possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company; or

A present obligation that arises from past events but is not recognised because:

i) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or

ii) The amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company.

Contingent liabilities and assets are not recognised on the statement of financial position of the company.

f) Income Taxes

Income tax on the profit or loss for the period comprises current and deferred income taxes. Income tax is recognised in the profit or loss except to the extent that it relates to items recognised outside profit or loss, in which case it is recognised in equity or other comprehensive income.

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2018

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

f) Income Taxes (Continued)

Current tax is the expected tax payable on the taxable income for the period, using tax rates enacted or substantively enacted at the end of reporting period and any adjustment to tax payable in respect of previous years.

Deferred tax is provided using the liability method for temporary differences at end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the end of reporting period.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

g) Foreign Currency Transactions and Balances

The financial statements of the company are measured and presented in United States dollars (USD), the currency of the primary economic environment in which the company operates (its functional currency).

In preparing the financial statements, transactions in currencies other than the company's functional currency are recorded at the rate of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing on the end of the reporting period. Exchange differences arising on the settlement of monetary items, and on retranslation of monetary items are included in profit or loss for the period.

The monetary asset and liability balances are denominated in USD, unless otherwise stated.

h) Cash and Cash Equivalents

Cash and cash equivalents comprise cash and bank balances that are subject to an insignificant risk of changes in value.

i) Key Management Personnel

Key management personnel of the company are those having authority and responsibility for planning, directing and controlling the activities of the company. The director of the company is considered as key management personnel.

	<u>4,731</u>	<u>786</u>
Cash and cash equivalents are denominated in the following currencies:-		
United States dollar	2,711	639
Singapore dollar	2,020	147
	<u>4,731</u>	<u>786</u>

4. SHARE CAPITAL

Issued and fully paid:-
 2 ordinary shares

1	1
---	---

The owners of ordinary shares are entitled to receive dividends as and when declared by the company. All ordinary shares have no par value and carry one vote per share without restrictions.

5. AMOUNT DUE TO IMMEDIATE HOLDING COMPANY

	2018 US\$	2017 US\$
Interest-bearing amount	-	1,098,000
Non-interest bearing amount	-	1,195,821
	<u>-</u>	<u>2,293,821</u>

During the financial year, the holding company waived the debts (non-trade) owing by the company amounting to US\$2,301,821 (2017: Nil).

The interest-bearing amount is fixed at 4% per annum previously. The amounts become interest free with effect from 1 April 2017. The amounts are unsecured and repayable when the company has the financial resources to do so.

OORJA 3 PTE. LTD.
(UEN: 200714714E)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2018

6. OTHER PAYABLES

	2018	2017
	US\$	US\$
Other payables	700	761
Accruals	1,906	1,426
	<u>2,606</u>	<u>2,187</u>
Other payables are denominated in the following currencies:-		
United States dollar	700	700
Singapore dollar	1,906	1,487
	<u>2,606</u>	<u>2,187</u>

7. FINANCE COST

This pertains to interest expense charged by the immediate holding company (Note 5).

8. TAXATION

The income tax varied from the amount of taxation determined by applying the Singapore taxation rate of 17% (2017: 17%) to profit/(loss) before taxation as a result of the following differences:-

	2018	2017
	US\$	US\$
Profit/(Loss) before taxation	<u>2,297,347</u>	<u>(284,705)</u>
Tax expense/(benefit) calculated at a tax rate of 17%	390,549	(48,400)
Expenses not deductible for tax purposes	761	40,375
Revenue not subject to income tax	(391,310)	-
Tax effect of loss not available for carry forward	<u>-</u>	<u>8,025</u>
	<u>-</u>	<u>-</u>

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2018

9. SIGNIFICANT RELATED PARTY TRANSACTIONS

Related companies in these financial statements refer to members of the ultimate holding company's group of companies.

Some of the company's transactions and arrangements are between members of the group and the effect of these on the basis determined between the parties is reflected in these financial statements.

	2018	2017
	US\$	US\$
Waiver of amount due to immediate holding company	(2,301,821)	-
Interest expense charged by immediate holding company (Note 5)	<u>-</u>	<u>43,812</u>

There are no employees and associated employee benefit expenses incurred during the year ended 31 March 2018 and 31 March 2017 as administrative support is provided by ultimate holding company (2017: ultimate holding company) without any charge.

There is no remuneration of director incurred during the years ended 31 March 2018 and 31 March 2017.

During the financial year ended 31 March 2017, the company disposed of the subsidiary to a related company for a consideration of US\$1.

10. CONTINGENT LIABILITY

The company has, together with related companies, given corporate guarantees of US\$20 million (2017: US\$20 million) to a bank for the credit facilities granted to its immediate holding company. At 31 March 2018, the immediate holding company had utilised US\$5.88 million (2017: US\$10.63 million) of the credit facilities.

Management has evaluated the guarantees issued and determined that the fair value of the financial guarantee is not material. The ultimate holding company has undertaken to indemnify the company should there is any payment required in respect of the arrangement.

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2018

11. FINANCIAL RISK MANAGEMENT POLICIES AND OBJECTIVES

The management monitors and manages the financial risks relating to the operations of the company to minimise adverse potential effects on financial performance. These risks include market risk (including foreign exchange risk and interest rate risk), credit risk, liquidity risk and fair value risk. The policies on how to mitigate these risks are set out below:

i) Foreign Currency Risk

The company's transactions are mostly denominated in United States dollars and therefore the exposure to foreign exchange risk is not significant.

(ii) Credit risk

The company does not have any significant exposure on credit risk.

(iii) Interest Rate Risk

The company has no interest-bearing financial assets and financial liabilities except for amount due to immediate holding company as disclosed in Note 5 to the financial statements.

No sensitivity analysis is presented as reasonably possible changes in interest rates are not expected to have a significant impact on operating results.

(iv) Liquidity Risk

When required, the company obtains financial support from the holding company.

As at end of current financial year, the maturity profile of the company's financial liabilities is within 12 months from the end of the reporting period.

As at end of financial year 2017, the maturity profile of the company's financial liabilities was within 12 months from the end of the reporting period except for the amount due to the immediate holding company which was payable when the company had the financial resources to do so. The immediate holding company had undertaken not to recall the repayment within the twelve month period from the end of reporting date.

12. FAIR VALUES

Fair value of financial instruments that are not carried at fair value and whose carrying amounts are not reasonable approximation of fair value

In previous year ended 2017, the non-interest bearing amount due to immediate holding company measured at cost are not carried at fair value because the fair value cannot be measured reliably. The management is unable to ascertain the repayment period of the balance. The debt was waived by the immediate holding company during the financial year.

Fair value of financial instruments that are not carried at fair value and whose carrying amounts are reasonable approximation of fair value

The carrying amounts of the financial assets and financial liabilities approximate their respective fair values due to the relatively short-term maturity of these financial instruments.

OORJA 3 PTE. LTD.
(UEN: 200714714E)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2018

13. CATEGORIES OF FINANCIAL INSTRUMENTS

The following table sets out the financial instruments as at the end of the reporting period:-

	2018	2017
	US\$	US\$
<u>Financial assets</u>		
Loans and receivables:-		
Cash and cash equivalents	4,731	786
Total financial assets	4,731	786
<u>Financial liabilities</u>		
At amortised costs:-		
Amount due to immediate holding company	-	1,098,000
Other payables	2,606	2,187
	2,606	1,100,187
At cost:		
Amount due to immediate holding company (interest-free)	-	1,195,821
Total financial liabilities	2,606	2,296,008

14. CAPITAL MANAGEMENT

The company manages its capital to ensure that the company will be able to continue as a going concern while maximising the return to shareholder through the optimisation of the debt and equity balance.

The management reviews the capital structure regularly to achieve an appropriate capital structure. As part of this review, the management considers the cost of capital and the risks associated with each class of capital and makes adjustments to the capital structure, where appropriate, in light of changes in economic conditions and the risk characteristics of the underlying assets.

The company is not subject to any externally imposed capital requirement. There have been no changes in the company's approach to capital management during both financial years.

15. NEW OR REVISED ACCOUNTING STANDARDS AND INTERPRETATIONS

At the date of authorisation of these financial statements, management anticipates that the adoption of the FRSs, INT FRSs and amendments to FRS that were issued but not effective will not have a material impact on the financial statements of the company in the period of their initial adoption.
