

NEWS RELEASE

Mercator Limited ("the Company" or "Mercator"), announces un-audited financial results for the quarter ended September 2015.

FINANCIAL HIGHLIGHTS (Q2 FY 2016 vs Q2 FY 2015)

- Standalone Revenue at Rs. 166 cr UP ~5%
- Standalone PBDIT at Rs. 57 cr UP ~25%
- Standalone PAT at Rs. 10 cr UP ~25%
- Consolidated Revenue at Rs. 688 cr down ~10%

Mr. H. K. Mittal, Executive Chairman said "Our standalone revenue & profit has increased and we continue to maintain profitability in oil & gas and coal businesses. All business verticals continue to remain profitable except the dry bulk business."

BUSINESS COMMENTARY / HIGHLIGHTS

Oil and Gas

Post the two oil discoveries in the Cambay Basin, further drilling activities have been planned. The FPU at the EBOK field in Nigeria continues to operate with nearly 100% uptime.

Coal

Coal mining and trading volumes combined stood at 0.89 MT during Q2 FY15. Improvements in efficiency together with increase in revenue from logistical infrastructure facilities at the mines are contributing to profitability.

Shipping

All tankers were gainfully deployed on medium/long term contracts during the period. The dry bulk business is going through a longer than anticipated downturn. In addition to this, the Singapore subsidiary Mercator Lines (Singapore) Ltd. is at an advanced level of discussion with its financial advisor & lenders regarding the restructuring, refinancing and/or recapitalization of the business.

Dredging

Dredging continues to improve its business. The two dredgers which were acquired earlier in the year have commenced operations at Kandla.

About the Company:

Mercator Limited is one of India's leading Energy and Shipping group with business interests in Oil & Gas, Coal, Shipping and Dredging.

Mercator's Oil & Gas business owns and operates one Mobile Offshore Production Unit (MOPU) and Floating Storage (FSO), own Oil blocks and is also currently executing a large EPC project for ONGC, India.
